

CVSR is participating in the "If you see Something Say Something" national safety campaign that raises public awareness of the signs of terrorism and terrorism-related crime, and how to report suspicious activity.

We all play a role in keeping our communities safe. Be alert and stay informed. Say something if you see signs of suspicious behavior. Remember, race, gender, or nationality does not make someone suspicious.

Call 330.388.6662 to report suspicious activity if you are riding in or are near a CVSR train.
